Re: PM-1089 Cont. USSN 303,519

Dear Chris:

Thank you for your letter of April 28th.

PM-1089 Cont. corresponds to USSN 303,519, which is the parent of PM-1089 Cont. II, which corresponds to USSN 344,063.

I should like to have the Power of Attorney corrected in the parent and in this regard I enclose the appropriate form for execution by an officer of Philip Morris Incorporated. Upon execution, you can either send the form directly to the Patent Office with a copy to me or, if you prefer, send me the original, executed document for filing.

Yours very truly,

Robert M. Shaw
